Ain't no sunshine

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she's goes away

Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away

And I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know
Hey, I ought to leave young thing alone
But ain't no sunshine when she's gone,
whoa, whoa

Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away

Anytime she goes away
Anytime she goes away
Anytime she goes away

Ain't nobody

Captured effortlessly, that's the way it was

Happened so naturally, I did not know it was love

The next thing I felt was you, holding me close

What was I gonna do? I let myself go
And now we're flyin' through the stars
I hope this night will last forever

I've been waitin' for you, it's been so long

I knew just what I would do, when I heard your song

Filled my heart with your kiss, you gave me freedom

You knew I could not resist, I needed someone

And now we're flyin' through the stars
I hope this night lasts forever

Ain't nobody (nobody)

Loves me better (love me better)

Makes me happy

Makes me feel this way (nobody)

Ain't nobody (ain;t nobody)

Loves me better than you

I wait for nighttime to come, and bring you to me

Can't believe I'm the one, I was so lonely

I feel like no one could feel, I must be dreamin'

I want this dream to be real, I need this feelin'

I make my wish upon a star

And hope this night will last forever

Oh, oh, oh

Ain't nobody (nobody)

Loves me better

Makes me happy

Makes me feel this way (nobody)

Ain't nobody

Loves me better (nobody loves me)

Ain't nobody

Loves me better than you

And first you put your arms around me

Then you put your charms around me

I can't resist this sweet surrender

Oh, my nights are warm and tender

We stare into each other's eyes

And what we see is no surprise

Got a feeling most would treasure

And a love so deep we cannot measure

Ain't nobody (nobody)

Loves me better

Makes me happy

Makes me feel this way

Ain't nobody (ain't nobody)

Loves me better (nobody)

Ain't nobody

Loves me better (nobody, baby)

Ain't nobody (nobody, baby)

Loves me better (ah, makes me feel just happy love)

Makes me happy (so much love)

Makes me feel this way

Ain't nobody
Loves me better
Ain't nobody
Loves me better (nobody)

Ain't nobody
Loves me better (ain't nobody)
Makes me happy
Makes me feel this way (nobody)
Ain't nobody
Loves me better (ain't nobody)
Ain't nobody
Makes me better (makes me feel this
way)

Ain't nobody
Loves me better (no, nobody baby)
Makes me happy (ain't nobody baby)
Makes me feel this way (ain't nobody)
Ain't nobody (no) loves me better (no)
Baby, baby, baby, baby (ain't nobody)
Loves me better
Ain't nobody
Loves me better
Make me happy

All of me – John Legend

What would I do without your smart mouth?

Drawing me in, and you kicking me out
You've got my head spinning, no kidding, I can't pin you down
What's going on in that beautiful mind?

I'm on your magical mystery ride
And I'm so dizzy, don't know what hit me, but I'll be alright

My head's under water
But I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose, I'm winning
'Cause I give you all of me
And you give me all of you, oh-oh

How many times do I have to tell you?
Even when you're crying, you're beautiful too
The world is beating you down, I'm around through every mood
You're my downfall, you're my muse
My worst distraction, my rhythm and blues

I can't stop singing, it's ringing in my head for you

My head's under water
But I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose, I'm winning
'Cause I give you all of me
And you give me all of you, oh-oh
Give me all of you, oh

Cards on the table, we're both showing hearts
Risking it all, though it's hard

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose, I'm winning
'Cause I give you all of me
And you give me all of you

I give you all of me
And you give me all of you, oh-oh

Als ze er niet is

Tien tegen één dat ik m'n mond hou

Als ik je weer zie

Ik ken mezelf onderhand

Een prater ben ik niet

"Hoe was het hier?"

Zal je vragen

En ik zal zeggen "Goed"

En ik zeg je niet wat ik nu denk

Dat ik je eigenlijk zeggen moet

Een man weet niet wat hij mist

Weet niet wat hij mist

Een man weet niet wat hij mist

Een man weet niet wat hij mist

Maar als ze er niet is

Als ze er niet is

Weet een man pas wat hij mist

Als ze er niet is

Jij praat honderduit over hoe het was

Over hoe je het hebt gehad

En misschien als ik op dreef ben

Zeg ik een keertje 'schat'

Dan vraag je mij

"Hoe was het bij jou?"

Hooguit zeg ik dan "Stil"

En ik zeg je weer niet wat ik nu denk

Dat ik je eindelijk zeggen wil

Een man weet niet wat hij mist

Weet niet wat hij mist

Een man weet niet wat hij mist

Een man weet niet wat hij mist

Maar als ze er niet is

Als ze er niet is

Pas nu je hier niet bent

Nu voel ik het in mij

Nu je mij niet hoort

Voel ik het woord voor woord, voor
woord

Een man weet niet wat hij mist

Weet niet wat hij mist

Een man weet niet wat hij mist

Een man weet niet wat hij mist

Maar als ze er niet is

Als ze er niet is

Weet een man pas wat hij mist

Believe – Cher

No matter how hard I try
You keep pushing me aside
And I can't break through
There's no talking to you

It's so sad that you're leaving
It takes time to believe it
But after all is said and done
You're gonna be the lonely one, oh

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong
enough, no

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong
enough, no

What am I supposed to do?
Sit around and wait for you?
Well, I can't do that
And there's no turning back

I need time to move on
I need a love to feel strong
'Cause I've had time to think it through
And maybe I'm too good for you, oh

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong
enough, no

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong
enough, no

Well, I know that I'll get through this
'Cause I know that I am strong

And I don't need you anymore
I don't need you anymore
Oh, I don't need you anymore
No, I don't need you anymore

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong
enough, no

Do you believe in life after love?
I can feel something inside me say
I really don't think you're strong
enough, no

Blauwe dag

Weet je nog dat jij me zei
Dat wij nooit zouden vluchten als een
van ons?
Loop door de regen en nooit meer kijkt
Naar hoe het leven is in de zon
Weet je nog wat jij me zei
Dat jij er altijd bent als ik je nodig heb?
Nee, ik ben het niet vergeten, nee
Wat jij me ooit hebt gezegd

Want ik zie dat jij het moeilijk hebt
En niet meer lachen kan zoals je
vroeger deed
En nauwelijks in de gaten hebt
Dat je anders loopt dan dat je deed
voorheen
Weet je nog wat jij me zei
Dat jij er altijd bent als ik je nodig heb?
Nee, ik ben het niet vergeten, nee
Wat jij me ooit hebt gezegd

Blauwe dag, als het dondert
En valt de hemel naar beneden
Ben ik hier bij jou alleen
Blauwe dag, één seconde
Laten we dansen tot de morgen
En de lucht weer open gaat

Fiets met jou mee door heel de stad
Als jij dat wil, nou dan doe ik dat
Ik ben hier op je blauwe dag
Blauwe dag, één seconde
Laten we dansen tot de morgen
En de lucht weer open gaat

Weet je nog dat jij me zei
Dat je er altijd bent wanneer ik ergens
val?
Nu lig ik zelf op de grond
En ben ik degene zonder licht in een
donker dal
Ik ging van de top van de wereld naar
Een plek waar ik niemand ken
Nee, ik ben het niet vergeten, nee
Wat jij me ooit hebt gezegd

Blauwe dag, als het dondert
En valt de hemel naar beneden
Ben ik hier bij jou alleen
Blauwe dag, één seconde
Laten we dansen tot de morgen
En de lucht weer opengaat

Fiets met jou mee door heel de stad
Als jij dat wil, nou dan doe ik dat
Ik ben hier op je blauwe dag
Blauwe dag, één seconde
Laten we dansen tot de morgen
En de lucht weer open gaat

Fiets met jou mee door heel de stad
Als jij dat wil, nou dan doe ik dat
Ik ben hier op je blauwe dag
Blauwe dag, één seconde
Laten we dansen tot de morgen
En de lucht weer open gaat

Book of love

The book of love is long and boring
No one can lift the damn thing
It's full of charts and facts, and figures
And instructions for dancing

You ought to give me
Wedding rings

But I
I love it when you read to me.
And you
You can read me anything.

The book of love has music in it
In fact that's where music comes from
Some of it's just transcendental
Some of it's just really dumb

But I
I love it when you sing to me
And you
You can sing me anything

The book of love is long and boring
And written very long ago
It's full of flowers and heart-shaped
boxes
And things we're all too young to know

But I
I love it when you give me things
And you
You ought to give me wedding rings

And I
I love it when you give me things
And you
You ought to give me wedding rings

Bridge over troubled water

When you're weary
Feeling small
When tears are in your eyes
I'll dry them all

I'm on your side
Oh, when times get rough

And friends just can't be found
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down
When you're down and out
When you're on the street
When evening falls so hard
I will comfort you

I'll take your part
Oh, when darkness comes

And pain is all around
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down
Sail on, silver girl, sail on by
Your time has come to shine
All your dreams are on their way

See how they shine
Oh, if you need a friend

I'm sailing right behind
Like a bridge over troubled water

I will ease your mind
Like a bridge over troubled water
I will ease your mind

Can't help falling in love - Elvis

Wise men say
Only fools rush in
But I can't help falling in love with you

Shall I stay?
Would it be a sin
If I can't help falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with you
For I can't help falling in love with you

Closer

Hey, I was doing just fine before I met you

I drink too much and that's an issue,
but I'm okay

Hey, you tell your friends it was nice to meet them

But I hope I never see them again

I know it breaks your heart

Moved to the city in a broke-down car,
and

Four years, no calls

Now you're lookin' pretty in a hotel bar

And I-I-I can't stop

No, I-I-I can't stop

So, baby, pull me closer in the backseat
of your Rover

That I know you can't afford, bite that
tattoo on your shoulder

Pull the sheets right off the corner of
the mattress that you stole

From your roommate back in Boulder,
we ain't ever gettin' older

We ain't ever gettin' older

We ain't ever gettin' older

You look as good as the day I met you

I forget just why I left you, I was insane

Stay and play that blink-182 song

That we beat to death in Tucson, okay

I know it breaks your heart

Moved to the city in a broke-down car,
and

Four years, no call

Now I'm lookin' pretty in a hotel bar

And I-I-I can't stop

No, I-I-I can't stop

So, baby, pull me closer in the backseat
of your Rover

That I know you can't afford, bite that
tattoo on your shoulder

Pull the sheets right off the corner of
the mattress that you stole

From your roommate back in Boulder,
we ain't ever gettin' older

We ain't ever gettin' older

We ain't ever gettin' older

So, baby, pull me closer in the backseat
of your Rover

That I know you can't afford, bite that
tattoo on your shoulder

Pull the sheets right off the corner of
the mattress that you stole

From your roommate back in Boulder,
we ain't ever gettin' older

We ain't ever gettin' older, no, we ain't
ever gettin' older

We ain't ever gettin' older, no, we ain't
ever gettin' older

We ain't ever gettin' older, we ain't
ever gettin' older

We ain't ever gettin' older, no, we ain't
ever gettin' older

Older

We ain't ever gettin' older

Older

No, we ain't ever gettin' older

Colors

I woke up to the morning sky, first
Baby blue, just like we rehearsed
When I get up off this ground
I shake leaves back down to the brown,
brown, brown, brown
'Til I'm clean

Then I walk where I'd be shaded by the
trees
By a meadow of green
For about a mile
I'm headed to town, town, town, in
style

With all my favorite colors, yes, sir
All my favorite colors, right on
My sisters and my brothers
See 'em like no other
All my favorite colors

It's a good day to be
A good day for me
A good day to see
My favorite colors, colors
My sisters and my brothers
They see 'em like no other
All my favorite colors

Now take me to other side
Little bitty blues bird flies
And gray clouds, or white walls, or blue
skies
We gon' fly, feel alright

And we gon' (Ooh-ooh, ooh-ooh, ooh-
ooh, ooh), yeah

It sound like (Ooh-ooh, ooh-ooh, ooh-
ooh, ooh), yeah

The least I can say, I anticipate
A homecoming parade as we renegade
In the morning, right on

With all my favorite colors, yes, sir
All my favorite colors, yes, ma'am
My sisters and my brothers
See 'em like no other
All my favorite colors

All my favorite colors, right
All my favorite colors, yes, ma'am
My sisters and my brothers
See 'em like no other
All my favorite colors

It's a good day to be
A good day for me
A good day to see my favorite colors,
colors

My sisters and my brothers
They see 'em like no other
All my favorite colors

Cup song (when I'm gone)

I got my ticket for the long way round
Two bottle of whiskey for the way
And I sure would like some sweet
company
And I'm leaving tomorrow, what'dya
say

When I'm gone (2x)

You're gonna miss me when I'm gone

You're gonna miss me by my hair
You're gonna miss me everywhere, oh
You're gonna miss me when I'm gone

I got my ticket for the long way round
The one with the prettiest of views
It's got mountains
It's got rivers
It's got sights to give you shivers
But it sure would be prettier with you

When I'm gone (2x)

You're gonna miss me when I'm gone

You're gonna miss me by my walk
You're gonna miss me by my talk, oh
You're gonna miss me when I'm gone

Dates in pickup trucks

I'm not gonna lie, it's boring as hell
here
It's Friday night and I want some cold
beer
I know you know just right where my
phone is, call it

'Cause I know you like me, I like you
too
We did this last weekend but baby it's
cool, yeah
As long as it's with you I ain't never,
ever gonna get tired of

Dates in pickup trucks
Getting my lip-gloss all messed up
Put a little something-something in a
Sonic cup
When the sun goes down
Blue jeans with my boots
Find a little trouble we can get into
What else you gonna do in a small
town
In a small town, in a small town
But dates in pickup trucks (alright,
alright)
Dates in pickup trucks (alright, alright)

I know it's payday so let's throw a party
Find us a back road and see just how
far we can go
I'll lean my body out the window

And baby, if you wanna, we'll keep the
situation on the low down

And when they wonder what
happened, we'll be sitting there
laughing
Say we were just hanging out

Dates in pickup trucks
Getting my lip-gloss all messed up
Put a little something-something in a
Sonic cup
When the sun goes down
Blue jeans with my boots
Find a little trouble we can get into
What else you gonna do in a small
town
In a small town, in a small town
But dates in pickup trucks (alright,
alright)
Dates in pickup trucks (alright, alright)

'Cause I know you like me, I like you
too
We did this last weekend but baby it's
cool, yeah
As long as it's with you I ain't never,

Baby

Don't know why – Norah Jones

I waited 'til I saw the sun
I don't know why I didn't come
I left you by the house of fun
Don't know why I didn't come
Don't know why I didn't come

When I saw the break of day
I wished that I could fly away
Instead of kneeling in the sand
Catching tear-drops in my hand

My heart is drenched in wine
But you'll be on my mind forever

Out across the endless sea
I would die in ecstasy
But I'll be a bag of bones
Driving down the road alone

My heart is drenched in wine
But you'll be on my mind forever

Something has to make you run
I don't know why I didn't come
I feel as empty as a drum
I don't know why I didn't come
Don't know why I didn't come
I don't know why I didn't come

Dreams

Now here you go again, you say you
want your freedom
Well, who am I to keep you down?
It's only right that you should play the
way you feel it
But listen carefully to the sound of
your loneliness

Like a heartbeat, drives you mad
In the stillness of remembering what
you had
And what you lost
And what you had
And what you lost

Oh, thunder only happens when it's
raining
Players only love you when they're
playing
Say, women, they will come and they
will go
When the rain washes you clean, you'll
know
You'll know

Now here I go again, I see the crystal
vision
I keep my visions to myself
But it's only me who wants to wrap
around your dreams, and
Have you any dreams you'd like to sell,
dreams of loneliness?

Like a heartbeat, drives you mad
In the stillness of remembering what
you had

And what you lost
And what you had
Ooh, what you lost

Thunder only happens when it's raining
Players only love you when they're
playing
Women, they will come and they will
go
When the rain washes you clean, you'll
know

Oh, thunder only happens when it's
raining
Players only love you when they're
playing
Say, women, they will come and they
will go
When the rain washes you clean, you'll
know

You'll know
You will know
Oh-oh-oh, you'll know

Een beetje verliefd

In 'n discotheek, zat ik van de week
En ik voelde mij daar zo alleen
Het was er warm en druk, ik zat naast
een lege kruk
Ik verlangde zo naar jou hier aan m'n zij
Ja, ik denk nog steeds, hoe het was
geweest
Toen je naast me zat hier aan de bar
Ik vroeg: drink je mee, dat vond jij oke
Toen je proostend, naar me keek, werd
ik zo week

Een beetje verliefd

Ik dacht 'n beetje verliefd
Als ik wist wat jij toen dacht
Had ik nooit op jou gewacht
Als een kind zat ik te dromen
Deze nacht ben jij voor mij
Maar die droom ging snel voorbij Jij
stond op en zei, hou m'n plaatsje vrij
Ik moet even weg maar ben zo terug
Ach, die kruk bleef leeg, tot ik in de
gaten kreeg
Dat je weg ging zonder mij, ik was weer
alleen

Een beetje verliefd

Ik dacht 'n beetje verliefd
Als ik wist wat jij toen dacht
Had ik nooit op jou gewacht
Als een kind zat ik te dromen
Een beetje verliefd
Ik dacht een beetje verliefd
Als ik wist wat jij toen dacht
Had ik nooit op jou gewacht
Als een kind zat ik te dromen

Deze nacht ben jij voor mij
Maar die droom ging snel voorbij

Fields of Gold – Sting

You'll remember me when the west
wind moves
Upon the fields of barley
You'll forget the sun in its jealous sky
As we walk in fields of gold

So she took her love
For to gaze a while
Upon the fields of barley
In his arms she fell as her hair came
down
Among the fields of gold

Will you stay with me?
Will you be my love?
Upon the fields of barley
We'll forget the sun in its jealous sky
As we lie in fields of gold

See the west wind move like a lover so
Upon the fields of barley
Feel her body rise when you kiss her
mouth
Among the fields of gold

I never made promises lightly
And there have been some that I've
broken
But I swear in the days still left
We'll walk in fields of gold
We'll walk in fields of gold

Many years have passed since those
summer days
Among the fields of barley

See the children run as the sun goes
down

Among the fields of gold

You'll remember me when the west
wind moves
Upon the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold
When we walked in fields of gold
When we walked in fields of gold

Flowers

We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn

Mmm, I didn't wanna leave you, I
didn't wanna lie
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

Can love me better, I can love me
better, baby
Can love me better, I can love me
better, baby

Paint my nails cherry red
Match the roses that you left
No remorse, no regret
I forgive every word you said

Ooh, I didn't wanna leave you, baby, I
didn't wanna fight
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours, yeah
Say things you don't understand
I can take myself dancing, yeah

I can hold my own hand
Yeah, I can love me better than you can

Can love me better, I can love me
better, baby

Can love me better, I can love me
better, baby

Can love me better, I can love me
better, baby

Can love me better, I- (ooh, I)

I didn't wanna leave you, I didn't
wanna fight
Started to cry, but then remembered I

I can buy myself flowers (uh-huh)
Write my name in the sand
Talk to myself for hours (yeah)
Say things you don't understand (you
never will)

I can take myself dancing, yeah
I can hold my own hand
Yeah, I can love me better than
Yeah, I can love me better than you can

Can love me better, I can love me
better, baby (oh, oh)

Can love me better, I can love me
better, baby (than you can)

Can love me better, I can love me
better, baby

Can love me better, I-

Hallelujah – Leonard Cohen

Now, I've heard there was a secret
chord
That David played, and it pleased the
Lord
But you don't really care for music, do
ya?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing Hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

Your faith was strong but you needed
proof
You saw her bathing on the roof
Her beauty and the moonlight
overthrew ya
She tied you to a kitchen chair
She broke your throne, and she cut
your hair
And from your lips she drew the
Hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to ya?
There's a blaze of light in every word

It doesn't matter which you heard
The holy or the broken Hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool
ya
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but
Hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

Heb het leven lief – Liesbeth List

Leef als een kind

Van de wind en van de liefde

En herken de open blik

In de ogen van een vreemde

Dans met de maan

Sla je armen om de sterren

Ga je dromen achterna

Op de maat van de seizoenen

Heb het leven lief

Als de stormwind gromt en als de lente
komt

En verberg je niet

Als de regen valt of de donder knalt

Zing het hoogste lied

Vlieg in vogelvlucht door de blauwe
lucht

Heb het leven lief

En wees niet bang

Huil als het moet

Totdat je stikt in al je tranen

Maar ontwapen je verdriet

Met dezelfde overgave

Als waarmee je huilt

Je kunt uit je as herrijzen

Het geluk van het moment

Zet een streep door het verleden

Heb het leven lief

Als de stormwind gromt en als de lente
komt

En verberg je niet

Als de regen valt en als de donder knalt

Zing het hoogste lied

Vlieg in vogelvlucht door de blauwe
lucht

Heb het leven lief

En wees niet bang

Heb het leven lief

Met je ogen dicht of in het volle licht

Hou van wie je ziet

Pak de liefde vast

En verlies haar niet

Heb het leven lief

In de grijze nacht

En als de morgen lacht

Heb het leven lief

En wees niet bang

Wees maar niet bang

Wees maar niet bang

Wees maar niet bang

Wees maar niet bang, bang, bang

Wees maar niet bang

How would you feel

I'm drivin' on a lonely road
I'm not drivin' home
And I miss you so
I'm tired of heading north
My heart's at war
'Cause I miss you so
Ooh-ooh-ooh, there's so much going on
And everything is always moving on

How would you feel if I come home now?
'Cause I need you now, love
Oh, I need you now
And on, and on, I miss you
How would it be if I come home now?
'Cause I need you now, love
Oh, I need you now
And on, and on, I need you now

What if, when I'm old and wise
We're at peaceful times
And I realize
All these golden days we had
No, they won't come back
What if I realize that

How would you feel if I come home now?
'Cause I need you now, love
Oh, I need you now
And on, and on, I miss you
How would it be if I come home now?
'Cause I need you now, love
Oh, I need you now

And on, and on, I miss you
On, and on, and on, I miss you
On, and on, and on, I need you now

I'm driving on a lonely road
I'm not driving home
And I miss you so

How would you feel if I come home now?
'Cause I need you now, love
Oh, I need you now
And on, and on, I miss you
How would it be if I come home now?
'Cause I need you now, love
Oh, I need you now
And on, and on, I miss you
On, and on, and on, I miss you
On, and on, and on, I need you now

Just the two of us – Bill Withers

I see the crystal raindrops fall
And the beauty of it all
Is when the sun comes shining through
To make those rainbows in my mind
When I think of you sometime
And I wanna spend some time with you

Just the two of us
We can make it if we try
Just the two of us
(Just the two of us)
Just the two of us
Building castles in the sky
Just the two of us
You and I

We look for love, no time for tears
Wasted water's all that is
And it don't make no flowers grow
Good things might come to those who wait
Not for those who wait too late
We gotta go for all we know

Just the two of us
We can make it if we try
Just the two of us
(Just the two of us)
Just the two of us
Building them castles in the sky
Just the two of us
You and I

I hear the crystal raindrops fall

On the window down the hall
And it becomes the morning dew
And darling when the morning comes
And I see the morning sun
I wanna be the one with you

Just the two of us
We can make it if we try
Just the two of us
(Just the two of us)
Just the two of us
Building big castles way on high
Just the two of us
You and I

Just the two of us
(We can make it, just the two of us)
Let's get it together baby (yeah)
(Just the two of us)
Just the two of us
(We can make it, just the two of us)
(Just the two of us)
(We can make it, just the two of us)
(Just the two of us)
(We can make it, just the two of us)
(Just the two of us)
(We can make it, just the two of us)
(Just the two of us)

Kiss me – Sixpence none the richer

Kiss me, out of the bearded barley
Nightly, beside the green, green grass
Swing, swing, (swing, swing) swing the
spinning step
You wear those shoes and I will wear
that dress

Oh, kiss me, beneath the milky twilight
Lead me out on the moonlit floor
Lift your open hand
Strike up the band and make the
fireflies dance
Silver moon's sparkling
So kiss me

Kiss me, (kiss me) down by the broken
tree house
Swing me, (swing me) upon its hanging
tire
Bring, bring, (bring, bring) bring your
flowered hat
We'll take the trail marked on your
father's map

Oh, kiss me, beneath the milky twilight
Lead me out on the moonlit floor
Lift your open hand
Strike up the band and make the
fireflies dance
Silver moon's sparkling
So kiss me

Kiss me, beneath the milky twilight
Lead me out on the moonlit floor

Lift your open hand

Strike up the band and make the
fireflies dance
Silver moon's sparkling
So kiss me
So kiss me
So kiss me
So kiss me

La vie en rose – Edith Piaf

Hold me close and hold me fast

The magic spell you cast

This is la vie en rose

When you kiss me, Heaven sighs

And though I close my eyes

I see la vie en rose

When you press me to your heart

I'm in a world apart

A world where roses bloom

And when you speak

Angels sing from above

Every day words

Seem to turn into love songs

Give your heart and soul to me

And life will always be

La vie en rose

Let me love you

I used to believe

We were burning on the edge of
something beautiful

Something beautiful

Selling a dream

Smoke and mirrors keep us waiting on
a miracle

On a miracle

Say, go through the darkest of days
Heaven's a heartbreak away
Never let you go, never let me down
Oh, it's been a hell of a ride
Driving the edge of a knife
Never let you go, never let me down

Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you

Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you
(Oh, baby, baby)

Don't fall asleep
At the wheel, we've got a million miles
ahead of us
Miles ahead of us
All that we need
Is a rude awakening to know we're
good enough (yeah)
Know we're good enough

Say, go through the darkest of days
Heaven's a heartbreak away
Never let you go, never let me down
Oh, it's been a hell of a ride
Driving the edge of a knife
Never let you go, never let me down

Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you

Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you
(Oh, baby, baby)

(Never let you go, never let you down,
girl)
(Never let you go, never let you down,
girl)
(Never let you go) Whoa
(Girl, never let you go) Wooh

(Never let you go, never let you down,
girl)
(Never let you go, never let you down,
girl) Oh, nah-nah-nah-nah
(Never let you go)
Yeah, yeah (girl, never let you go)

Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you

Don't you give up, nah-nah-nah

I won't give up, nah-nah-nah

Let me love you

Let me love you

Lovefool

Dear, I fear we're facing a problem
You love me no longer, I know and
Maybe there is nothing that I can do
To make you do
Mama tells me I shouldn't bother
That I ought just to stick to another
man
A man that surely deserves me
But I think you do

So I cry, and I pray, and I beg

Love me, love me
Say that you love me
Fool me, fool me
Go on and fool me
Love me, love me
Pretend that you love me
Leave me, leave me
Just say that you need me
So I cry and I beg for you to
Love me, love me
Say that you love me
Leave me, leave me
Just say that you need me
I can't care about anything but you

Lately I have desperately pondered
Spent my nights awake and I wonder
What I could have done in another way
To make you stay
Reason will not lead to solution
I will end up lost in confusion
I don't care if you really care
As long as you don't go

So I cry, and I pray, and I beg

Love me, love me
Say that you love me
Fool me, fool me
Go on and fool me
Love me, love me
Pretend that you love me
Leave me, leave me
Just say that you need me
So I cry and I beg for you to
Love me, love me
Say that you love me
Leave me, leave me
Just say that you need me
I can't care about anything but you
(Anything but you)

Love me, love me
Say that you love me
Fool me, fool me
Go on and fool me
Love me, love me
I know that you need me
I can't care about anything but you

Love you more

Clouds above go sailing by
I found my meaning in this life
clear white is flying in my eyes,
underneath a blue, blue sky
The waves come rolling in with the
tide.

I've been away too long
and every day I missed you more.
You look like you did before,
only prettier.
Every day I love you more.

All the people rushing by, by, by
looking for meaning in this life
so used up, and blinded by lies,
They're underneath the blue, blue sky
the way they seldom seem to smile
I don't know why. 'Cause I've been
away too long
and every day I missed you more.
You look like you did before,
only prettier.
Every day I love you more
I love you more,
every day I love you more,
and more.

Cause I've been away too long
and every day I missed you more.
You look like you did before,
only prettier.
And every day I missed you more,
and more and more and more and
more.
I've been away too long

and every day I missed you more
oh you look like you did before
only prettier
every day I love you more.

I love you more.
Every day I love you more

Lovely day – Bill Withers

When I wake up in the morning, love
And the sunlight hurts my eyes
And something without warning, love
Bears heavy on my mind

Then I look at you
And the world's alright with me
Just one look at you
And I know it's gonna be
A lovely day (lovely day, lovely day,
lovely day, lovely day)
(Lovely day, lovely day, lovely day,
lovely day)
A lovely day (lovely day, lovely day,
lovely day, lovely day)
(Lovely day, lovely day, lovely day,
lovely day)

When the day that lies ahead of me
Seems impossible to face
When someone else instead of me
Always seems to know the way

Then I look at you
And the world's alright with me
Just one look at you
And I know it's gonna be
A lovely day (lovely day, lovely day,
lovely day, lovely day)
(Lovely day, lovely day, lovely day,
lovely day)
A lovely day (lovely day, lovely day,
lovely day, lovely day)
(Lovely day, lovely day, lovely day,
lovely day)

When the day that lies ahead of me
Seems impossible to face
And when someone else instead of me
Always seems to know the way

Then I look at you
And the world's alright with me
Just one look at you
And I know it's gonna be
A lovely day (lovely day, lovely day,
lovely day, lovely day)
(Lovely day, lovely day, lovely day,
lovely day)
A lovely day (lovely day, lovely day,
lovely day, lovely day)
(Lovely day, lovely day, lovely day,
lovely day)
(Lovely day, lovely day, lovely day,
lovely day)
(Lovely day, lovely day, lovely day,
lovely day)

Lovesong – The Cure

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again

Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you

Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again

However far away
I will always love you
However long I stay
I will always love you

Whatever words I say
I will always love you
I will always love you

However far away
I will always love you

However long I stay
I will always love you

Whatever words I say
I will always love you
I'll always love you
I'll always love you
'Cause I love you

Mag ik dan bij jou – Claudia de Breij

Als de oorlog komt
En als ik dan moet schuilen
Mag ik dan bij jou?
Als er een clubje komt
Waar ik niet bij wil horen
Mag ik dan bij jou?

Als er een regel komt
Waar ik niet aan voldoen kan
Mag ik dan bij jou?
En als ik iets moet zijn
Wat ik nooit geweest ben
Mag ik dan bij jou?

Mag ik dan bij jou schuilen
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag
Mag jij altijd bij mij
Kom wanneer je wilt
Ik hou een kamer voor je vrij

Als het onweer komt
En als ik dan bang ben
Mag ik dan bij jou?
Als de avond valt
En 't is mij te donker
Mag ik dan bij jou?

Als de lente komt
En als ik dan verliefd ben
Mag ik dan bij jou?

Als de liefde komt

En ik weet het zeker
Mag ik dan bij jou?

Mag ik dan bij jou schuilen
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag
Mag jij altijd bij mij
Kom wanneer je wilt
Ik hou een kamer voor je vrij

Mag ik dan bij jou schuilen
Als het nergens anders kan?
En als ik moet huilen
Droog jij m'n tranen dan?
Want als ik bij jou mag
Mag jij altijd bij mij
Kom wanneer je wilt
'K hou een kamer voor je vrij

Als het einde komt
En als ik dan bang ben
Mag ik dan bij jou?
Als het einde komt
En als ik dan alleen ben
Mag ik dan bij jou?

Make it a memory

Hey how are you?

Did you see the news today

It's been getting crazy

But it's always been that way

Are you holding up

And do you turn off your TV

When it makes you worry

Before you fall asleep

Don't let it bring you down

Don't let it bring you down

Just see what tomorrow brings

Don't let it bring you down

Don't let it bring you down

Make it a memory

Make it a memory

I know it's quiet

And the days are dragging on

Do you go outside

Life is lighter in the sun And just live it
up

Buy yourself a new guitar

A couple melodies

Will get you pretty far

Don't let it bring you down

Don't let it bring you down

Just see what tomorrow brings

Don't let it bring you down

Don't let it bring you down

Make it a memory

Make it a memory

Make it brighter than it's ever been
before

Make it brighter than it's ever been
before

Brighter than it's ever been before

Make it brighter than it's ever been
before

Make it brighter than it's ever been
before

Don't let it bring you down

Don't let it bring you down

Just see what tomorrow brings

Don't let it bring you down

Don't let it bring you down

Make it a memory

Make it a memory

Make it a memory

Make you feel my love – Adele

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

To make you feel my love
To make you feel my love

When the evening shadows and the
stars appear
And there is no one there to dry your
tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up
yet
But I will never do you wrong
I've known it from the moment that we
met
No doubt in my mind where you
belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild
and free
You ain't seen nothing like me yet

I could make you happy, make your
dreams come true
Nothing that I wouldn't do
Go to the ends of the Earth for you

More than words – Extreme

Saying "I love you"
Is not the words I want to hear from
you
It's not that I want you
Not to say, but if you only knew
How easy
It would be to show me how you feel

More than words
Is all you have to do to make it real
Then you wouldn't have to say
That you love me
'Cause I'd already know

What would you do
If my heart was torn in two
More than words to show you feel
That your love for me is real

What would you say
If I took those words away
Then you couldn't make things new
Just by saying "I love you"

La di da, la di da, di dai dai da
More than words
La di da, da di da

Now that I've tried to
Talk to you and make you understand
All you have to do is close your eyes
And just reach out your hands
And touch me
Hold me close, don't ever let me go

More than words
Is all I ever needed you to show
Then you wouldn't have to say
That you love me
'Cause I'd already know

What would you do
If my heart was torn in two
More than words to show you feel
That your love for me is real
What would you say
If I took those words away
Then you couldn't make things new
Just by saying "I love you"

La di da, da di da, di dai dai da
More than words
La di da, da di da, di dai dai da
More than words
La di da, da di da, di dai dai da
More than words
La di da, da di da, la da da
More than words

More than words

Need you now – Lady A

Picture perfect memories
Scattered all around the floor
Reaching for the phone cause
I can't fight it anymore

And I wonder if I ever cross your mind
For me it happens all the time

It's a quarter after one
I'm all alone and I need you now
Said I wouldn't call, but I lost all control
And I need you now
And I don't know how I can do without
I just need you now

Another shot of whisky
Can't stop looking at the door
Wishing you'd come sweeping in the
way you did before
And I wonder if I ever cross your mind
For me it happens all the time

It's a quarter after one
I'm a little drunk and I need you now
Said I wouldn't call, but I lost all control
And I need you now
And I don't know how I can do without

I just need you now

Guess I rather hurt than feel nothing at
all

It's a quarter after one

I'm all alone and I need you now

And I said I wouldn't call
But I'm a little drunk and I need you
now

And I don't know how I can do without
I just need you now
I just need you now

Oh, baby, I need you now

Omarm me – Blof

Hoever je gaat
Heeft met afstand niks te maken
Hoogstens met de tijd
En ik weet niet hoe 't komt dat ik weg wil
Maar 't treft me hard en zuiver en het houdt hardnekkig stand
Dus hier sta ik met een uitgestoken hand

Lief, ga dan mee
En omarm me
Omarm me, omarm me

Lief, ga dan mee
En omarm me
Omarm me, omarm me
En breng me nergens heen

Hoe diep je gaat
Heeft met denken niets te maken
Hoogstens met een wil
En 't voelt alsof ik weet waar ik heenga
En het leidt me in het donker en het spot met mijn verstand
Hier sta ik met een uitgestoken hand

Lief, ga dan mee
En omarm me
Omarm me, omarm me

Lief, ga dan mee
En omarm me
Omarm me, omarm me
En breng me nergens heen

Lief, ga dan mee
Omarm m'n lijf en leden
Omarm m'n waanideeën
Omarm me, omarm me

Lief, ga dan mee
Omarm heel mijn verleden
Omarm m'n zeven zeeën
Omarm me, omarm me
En breng me nergens heen

Places to go

This ain't my home any more
My beating heart and restless mind
In war

My eyes have closed
On my way back home
To a place that no one knows
I travel light
No more starless nights
Makes me shine from head to toe

I've got places to go
In this life
I've got places to go
At any time

What's yours ain't mine any more
But somehow
The roads I travelled
They feel like home
Right now

My eyes have closed
On my way back home
To a place that no one knows
I travel light
No more starless nights
Makes me shine from head to toe

I've got places to go
In this life
I've got places to go
At any time
I've got places to go
In this life

I've got places to go
At any time

Hee
Hee-hee
Hey-hey-hey
Ain't my home
Anymore

I've got places to go
In this life
I've got places to go
Places to go
I've got places to go (gotta go now)
In this life (I gotta go)
I've got places to go
In this life

This ain't my home
Anymore

Rollercoaster – Danny Vera

Here we go
On this roller coaster life we know
With those crazy highs and real deep
lows
I really don't know why
And I will go
To the farthest place on earth I know
I can travel all the road, you see
'Cause I know you're there with me

You don't have to slow me down
'Cause I will always be around
I will find my way back home
Where magnolia grows, where
magnolia grows

But I guess you know
Why I do what I do and where I go
I try to fill that empty space inside
But I can't do that without you
You're even with me in my dreams
I see a sail, the seven seas
I will try to find my way
You're always there tomorrow, you're
always there tomorrow

Here we go
On this roller coaster life we know
With those crazy highs and real deep
lows
I really don't know why
And I will go
To the farthest place on earth I know
I can travel all the road, you see
'Cause I know you're there with me

You don't have to slow me down
'Cause I will always be around
I will find my way back home
Where magnolia grows, where
magnolia grows

Here we go
On this roller coaster life we know
With those crazy highs and real deep
lows
I really don't know why
And I will go
To the farthest place on earth I know
I can travel all the road, you see
'Cause I know you're there with me

Here we go
On this roller coaster life we know
I can travel all the road, you see
'Cause I know you're there with me
'Cause I know, oh I know
You're there with me

Royals

I've never seen a diamond in the flesh
I cut my teeth on wedding rings in the movies

And I'm not proud of my address
In the torn-up town, no post code envy

But every song's like gold teeth, Grey
Goose, trippin' in the bathroom
Blood stains, ball gowns, trashin' the
hotel room

We don't care, we're driving Cadillacs
in our dreams

But everybody's like Cristal, Maybach,
diamonds on your time piece
Jet planes, islands, tigers on a gold
leash

We don't care, we aren't caught up in
your love affair

And we'll never be royals (royals)
It don't run in our blood
That kind of lux just ain't for us
We crave a different kind of buzz
Let me be your ruler (ruler)
You can call me Queen Bee
And baby I'll rule, I'll rule, I'll rule, I'll
rule
Let me live that fantasy

My friends and I? We've cracked the
code
We count our dollars on the train to
the party

And everyone who knows us knows
that we're fine with this
We didn't come from money

But every song's like gold teeth, Grey
Goose, trippin' in the bathroom
Blood stains, ball gowns, trashin' the
hotel room

We don't care, we're driving Cadillacs
in our dreams

But everybody's like Cristal, Maybach,
diamonds on your time piece
Jet planes, islands, tigers on a gold
leash
We don't care we aren't caught up in
your love affair

And we'll never be royals (royals)
It don't run in our blood
That kind of lux just ain't for us
We crave a different kind of buzz
Let me be your ruler (ruler)
You can call me Queen Bee
And baby I'll rule, I'll rule, I'll rule, I'll
rule
Let me live that fantasy

Oooh ooooh ohhh

We're bigger than we ever dreamed
And I'm in love with being queen
Oooooh ooooh ohhhhh
Life is great without a care
We aren't caught up in your love affair
And we'll never be royals (royals)

It don't run in our blood
That kind of lux just ain't for us
We crave a different kind of buzz
Let me be your ruler (ruler)
You can call me Queen Bee
And baby I'll rule, I'll rule, I'll rule, I'll
rule
Let me live that fantasy

Sunrise

Sunrise

Sunrise

Looks like morning in your eyes
But the clock's said 9:15 for hours

Sunrise

Sunrise

Couldn't tempt us if it tried
Cuz the afternoon's already come and gone

And I said

Oooo, oooo, oooo

Oooo, oooo, oooo

Oooo, oooo, oooo

To you

Surprise

Surprise

Couldn't find it in your eyes
But I'm sure it's written all over my face

Surprise

Surprise

Never something I could hide
When I see we made it through another day

Then I say

Oooo, oooo, oooo

Oooo, oooo, oooo

Oooo, oooo, oooo

To you

And now the night

Will throw its cover down, on me again

Ooh, and if I'm right

It's the only way to bring me back

Oooo, oooo, oooo

Oooo, oooo, oooo

Oooo, oooo, oooo

To you

Oooo, oooo, oooo

Oooo, oooo, oooo

Oooo, oooo, oooo

To you

Teardrop

Love, love is a verb
Love is a doing word
Fearless on my breath
Gentle impulsion
Shakes me, makes me lighter
Fearless on my breath

Teardrop on the fire
Fearless on my breath

Night, night after day
Black flowers blossom
Fearless on my breath
Black flowers blossom
Fearless on my breath

Teardrop on the fire
Fearless on my...

Water is my eye
Most faithful mirror
Fearless on my breath
Teardrop on the fire
Of a confession
Fearless on my breath

Most faithful mirror
Fearless on my breath

Teardrop on the fire
Fearless on my breath

You're stumbling in the dark
You're stumbling in the dark

This love

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye as she got on a plane
Never to return again
But always in my heart, oh

This love has taken its toll on me
She said goodbye too many times before
And her heart is breaking in front of me
And I have no choice, 'cause I won't say goodbye anymore

Whoa
Whoa
Whoa

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied, oh
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again, but uh-oh

This love has taken its toll on me
She said goodbye too many times before
And her heart is breaking in front of me
And I have no choice, 'cause I won't say goodbye anymore

Whoa
Whoa

Whoa

I'll fix these broken things, repair your broken wings
And make sure everything's alright (it's alright, it's alright), oh, oh
My pressure on your hips, sinking my fingertips
Into every inch of you because I know that's what you want me to do

This love has taken its toll on me
She said goodbye too many times before
Her heart is breaking in front of me
And I have no choice 'cause I won't say goodbye anymore

This love has taken its toll on me
She said goodbye too many times before
And my heart is breaking in front of me
She said goodbye too many times before

This love has taken its toll on me (oh, yeah, yeah)
She said goodbye too many times before (yeah)
And her heart is breaking in front of me (yeah, oh)
And I have no choice 'cause I won't say goodbye anymore (yeah)
This love has...

This town

Waking up to kiss you and nobody's
there
The smell of your perfume still stuck in
the air
It's hard
Yesterday I thought I saw your shadow
running round
It's funny how things never change in
this old town
So far from the stars

And I want to tell you everything
The words I never got to say the first
time around
And I remember everything
From when we were the children
playing in this fairground
Wish I was there with you now

If the whole world was watching I'd still
dance with you
Drive highways and byways to be there
with you
Over and over the only truth
Everything comes back to you

I saw that you moved on with someone
new
In the pub that we met he's got his
arms around you
It's so hard
So hard

And I want to tell you everything
The words I never got to say the first
time around

And I remember everything
From when we were the children
playing in this fairground
Wish I was there with you now

Because if the whole world was
watching I'd still dance with you
Drive highways and byways to be there
with you
Over and over the only truth
Everything comes back to you
You still make me nervous when you
walk in the room
Them butterflies they come alive when
I'm next to you
Over and over the only truth
Everything comes back to you

And I know that it's wrong
That I can't move on
But there's something about you

If the whole world was watching I'd still
dance with you
Drive highways and byways to be there
with you
Over and over the only truth
Everything comes back to you
You still make me nervous when you
walk in the room
Them butterflies they come alive when
I'm next to you
Over and over the only truth
Everything comes back to you
Everything comes back to you

Time after time

Lying in my bed
I hear the clock tick and think of you
Caught up in circles
Confusion is nothing new

Flashback, warm nights
Almost left behind
Suitcase of memories
Time after
Sometimes you picture me
I'm walkin' too far ahead
You're callin' to me
I can't hear what you've said

Then you say, "go slow"
I fall behind
The second hand unwinds

If you're lost, you can look and you will
find me
Time after time
If you fall, I will catch you, I'll be
waiting
Time after time
If you're lost, you can look and you will
find me
Time after time
If you fall, I will catch you, I'll be
waiting
Time after time

After my picture fades
And darkness has turned to gray
Watching through windows
You're wondering if I'm okay

Secrets stolen
From deep inside
The drum beats out of time

If you're lost, you can look and you will
find me

Time after time
If you fall, I will catch you, I'll be
waiting
Time after time

You said, "go slow"
I fall behind
The second hand unwinds

If you're lost, you can look and you will
find me

Time after time
If you fall, I will catch you, I'll be
waiting
Time after time
If you're lost, you can look and you will
find me
Time after time
If you fall, I will catch you, I'll be
waiting
Time after time

Time after time
Time after time
Time after time
Time after time
Time after time
Time after time
Time after time
Time after time

Torn – Natalie Umbruglia

I thought I saw a man brought to life
He was warm, he came around like he
was dignified
He showed me what it was to cry

Well you couldn't be that man that I
adored
You don't seem to know, or seem to
care what your heart is for
I don't know him anymore
There's nothin' where he used to lie
Our conversation has run dry
That's what's goin' on
Nothing's fine, I'm torn

I'm all out of faith, this is how I feel
I'm cold and I am shamed
Lying naked on the floor
Illusion never changed
Into something real
I'm wide awake and I can see the
perfect sky is torn
You're a little late
I'm already torn

So I guess the fortune teller's right
Should have seen just what was there
and not some holy light
But you crawled beneath my veins and
now
I don't care, I have no luck
I don't miss it all that much
There's just so many things
That I can't touch, I'm torn

I'm all out of faith, this is how I feel
I'm cold and I am shamed
Lying naked on the floor
Illusion never changed
Into something real
I'm wide awake and I can see the
perfect sky is torn
You're a little late
I'm already torn

Torn

There's nothing where he used to lie
My inspiration has run dry
That's what's goin' on
Nothing's right, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor
Illusion never changed
Into something real
I'm wide awake and I can see the
perfect sky is torn

I'm all out of faith
This is how I feel
I'm cold and I am ashamed
Bound and broken on the floor
You're a little late
I'm already torn

Unwritten

I am unwritten

Can't read my mind, I'm undefined

I'm just beginning

The pen's in my hand, ending
unplanned

Staring at the blank page before you

Open up the dirty window

Let the sun illuminate the words that
you cannot find

Reaching for something in the distance

So close you can almost taste it

Release your inhibitions

Feel the rain on your skin

No one else can feel it for you

Only you can let it in

No one else, no one else

Can speak the words on your lips

Drench yourself in words unspoken

Live your life with arms wide open

Today is where your book begins

The rest is still unwritten, yeah

Oh, oh

I break tradition

Sometimes my tries, are outside the
lines yeah, yeah

We've been conditioned to not make
mistakes

But I can't live that way oh, oh

Staring at the blank page before you

Open up the dirty window

Let the sun illuminate the words that
you cannot find

Reaching for something in the distance

So close you can almost taste it

Release your inhibitions

Feel the rain on your skin

No one else can feel it for you

Only you can let it in

No one else, no one else

Can speak the words on your lips

Drench yourself in words unspoken

Live your life with arms wide open

Today is where your book begins

Feel the rain on your skin

No one else can feel it for you

Only you can let it in

No one else, no one else

Can speak the words on your lips

Drench yourself in words unspoken

Live your life with arms wide open

Today is where your book begins

The rest is still unwritten

Staring at the blank page before you

Open up the dirty window

Let the sun illuminate the words that
you cannot find

Reaching for something in the distance

So close you can almost taste it

Release your inhibitions

Feel the rain on your skin

No one else can feel it for you

Only you can let it in

No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins

No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten

The rest is still unwritten

The rest is still unwritten
Yeah, yeah, yeah, yeah

Valerie

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what
you're doing
And in my head I paint a picture

Cos since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over?
Stop making a fool out of me
Why don't you come on over Valerie?
Valerie? Valerie? Valerie?

Did you have to go to jail?
Put your house up on for sale?
Did you get a good lawyer?
I hope you didn't catch a ten
I hope you'll find the right man
Who'll fix it for ya
And are you shoppin' anywhere?
Changed the colour of your hair, are
you busy?
And did you have to pay the fine?
You were dodging all the time, are you
still dizzy? Cos, Since I've come on
home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over?
Stop making a fool out of me
Why don't you come on over Valerie?
Valerie? Valerie? Valerie?

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what
you're doing
And in my head I paint a picture

Cos, since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over?
Stop making a fool out of me
Why don't you come on over Valerie?
Valerie? Valerie? Valerie?

Why don't you come on over Valerie?

Wicked games

The world was on fire and no-one
could save me but you
It's strange what desire will make
foolish people do
I'd never dreamed that I'd meet
somebody like you
And I'd never dreamed that I'd lose
somebody like you

No, I don't wanna fall in love

(This world is only gonna break your
heart)

No, I don't wanna fall in love

(This world is only gonna break your
heart)

With you

With you

(This world is only gonna break your
heart)

What a wicked game to play, to make
me feel this way

What a wicked thing to do, to let me
dream of you

What a wicked thing to say, you never
felt this way

What a wicked thing to do, to make me
dream of you

And I don't wanna fall in love

(This world is only gonna break your
heart)

No, I don't wanna fall in love

(This world is only gonna break your
heart)

With you

The world was on fire, no one could
save me but you

It's strange what desire will make
foolish people do

I'd never dreamed that I'd love
somebody like you

And I'd never dreamed that I'd lose
somebody like you

No, I don't wanna fall in love

(This world is only gonna break your
heart)

No, I don't wanna fall in love

(This world is only gonna break your
heart)

With you

(This world is only gonna break your
heart)

With you

(This world is only gonna break your
heart)

No, I...

(This world is only gonna break your
heart)

(This world is only gonna break your
heart)

Nobody loves no one

You can't hurry love

I need love, love

Ooh, to ease my mind

And I need to find fine

Someone to call mine

My mama said "You can't hurry love

No, you'll just have to wait"

She said "Love don't come easy

But It's a game of give and take"

"You can't hurry love

No, you'll just have to wait

Just trust in the good time

No matter how long it takes"

How many heartaches must I stand

Before I find the love to let me live

again

Right now the only thing that keeps me
hanging on

When I feel my strength, you know it's
almost gone

But remember mama said "You can't
hurry love

No, you'll just have to wait"

She said "Love don't come easy

It's a game of give and take"

How long must I wait

How much more must I take

Before loneliness

'Cause my heart, heart to break

And no, I can't bear to live my life alone

I grown impatient for a lover to call my
own

Oh, when I feel that I, I can't go on

When this precious words

Keep me hanging on

I remember mama said

"You can't hurry love

Noo, you'll just have to wait"

She said "Love don't come easy

When it's a game of give and take"

"You can't hurry love

Oh, no you'll just have to wait

Just trust in the good time

No matter how long it takes", and now
break

Now love, love don't come easy

But I keep on waiting

Anticipating for that soft voice

To talk to me at night

For some tender arms

Hold me tight

I keep waiting

(Ooh, till that day)

But it ain't easy (Love don't come easy)

No, you know it ain't easy

My mama said

"You can't hurry love

No, you'll just have to wait"

She said "Love don't come easy

When it's a game of give and take"

"You can't hurry love

Oh, no you'll just have to wait
You said "love don't come easy
When it's a game of give and take"

You've got a friend

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running, to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend

If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door

You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah,
to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes, I will

Now, ain't it good to know that you've
got a friend
When people can be so cold?
They'll hurt you, yes, and desert you

And take your soul if you let them, oh,
but don't you let them

You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah,
to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes, I will
You've got a friend
You've got a friend

Ain't it good to know you've got a
friend?

Ain't it good to know, ain't it good to
know, ain't it good to know

You've got a friend?

Oh yeah now, you've got a friend

Yeah baby, you've got a friend

Oh yeah, you've got a friend

Your song

It's a little bit funny
This feeling inside
I'm not one of those who can easily
hide
I don't have much money, but boy if I
did
I'd buy a big house where we both
could live

If I was a sculptor, ha
But then again, no
Or a man who makes potions in a
traveling show
I know it's not much, but it's the best I
can do
My gift is my song, and this one's for
you

And you can tell everybody
This is your song
It may be quite simple, but now that
it's done
I hope you don't mind
I hope you don't mind
That I put down in the words
How wonderful life is while you're in
the world

I sat on the roof and kicked off the
moss
Well a few of the verses, well they've
got me quite cross
But the sun's been quite kind
While I wrote this song
It's for people like you that keep it
turned on

So excuse me forgetting
But these things I do
You see I've forgotten, if they're green
or they're blue
Anyway the thing is, what I really mean
Yours are the sweetest eyes I've ever
seen

And you can tell everybody
This is the song
It may be quite simple, but now that
it's done
I hope you don't mind
I hope you don't mind
That I put down in the words
How wonderful life is while you're in
the world

I hope you don't mind
I hope you don't mind
That I put down in the words
How wonderful life is while you're in
the world
